

HOW TO GET ALL ENDINGS

DELIVERY MYSTERY by MAXIMILLIUM

1. Ending : Just a normal day
> Complete all 4 orders (for Alfred, just wait at the front door until he comes back), and then go back to the restaurant and talk to Bobby.
2. Ending : Bobby's Mad
> Do not complete all of the orders in time (22 minutes), and it will automatically transition to the ending
3. Ending : Intruder
> When waiting for Alfred, just explore inside of the house until he shot you
4. Ending : Dead End
> When waiting for Alfred, go inside the house and take the basement key (inside a big plant pot in the living room; living room is in the back side of the house, in front of the kitchen) then go to the basement (basement door is the brown door in a small hallway near the kitchen). Solve the puzzle, and get the ending.

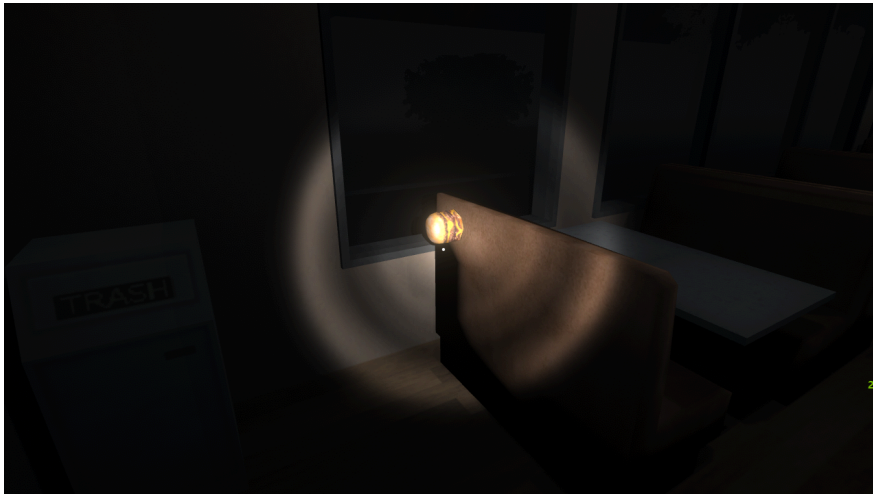

For the puzzle : 2163

Explanation : it is about historical events, 2 is from the paper with US Flag pic (US Independence 1776) then 1 is from a block beside the AK, and the AK is from 1947. Then 6 ($3! = 1+2+3$) is from the block beside the apple, the apple here is a reference from Apple Computer, Inc. Founded in 1976. Last one is tomorrow is three, meaning whatever the day is, it's always newer than the three historical events above.

5. Ending : Burgerman

> Find all of the 7 Burgeriax Burgers.

(Restaurant Map)

(Edward Map)

(Barusadar Map)

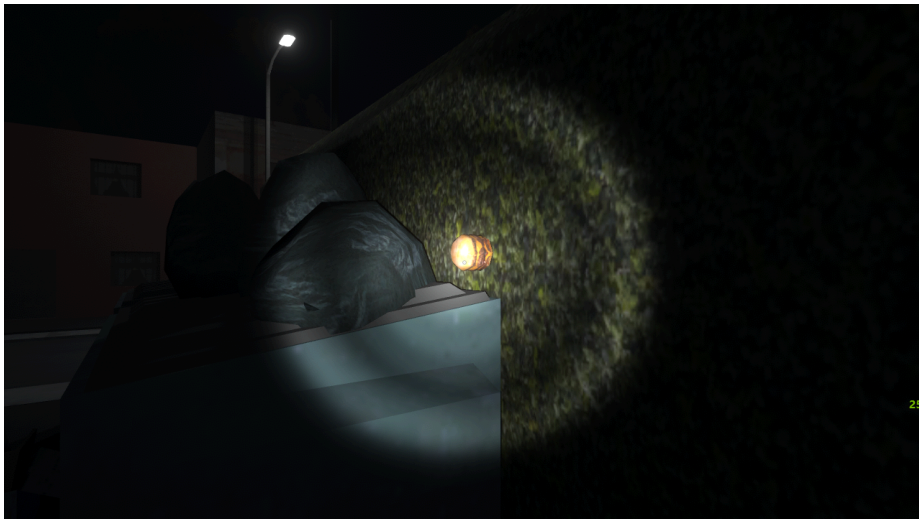

(Alfred Map)

(Diana Map)

After that, go to the back side of Diana's Apartment, and talk to the Burgeriax Knight.
After that, do the same thing as the 4th Ending.
